ST GEORGE'S HILL GOLF CLUB
ELITE DAYS – 2023

OVERVIEW

Elite Days at St George's Hill Golf Club

St George's Hill Golf Club has launched a fresh approach to hosting corporate events – The Elite Golf Day.

The Club has created a limited number of “exclusive use” days for eligible clients to host their golf day with us. The highest levels of service and attention to detail will be on show, with the opportunity for clients to enjoy a World Top 100 Golfing Venue, not normally available on an exclusive use basis.

The days themselves can be tailored to suit the needs of each client, with catering and beverage packages to suit.

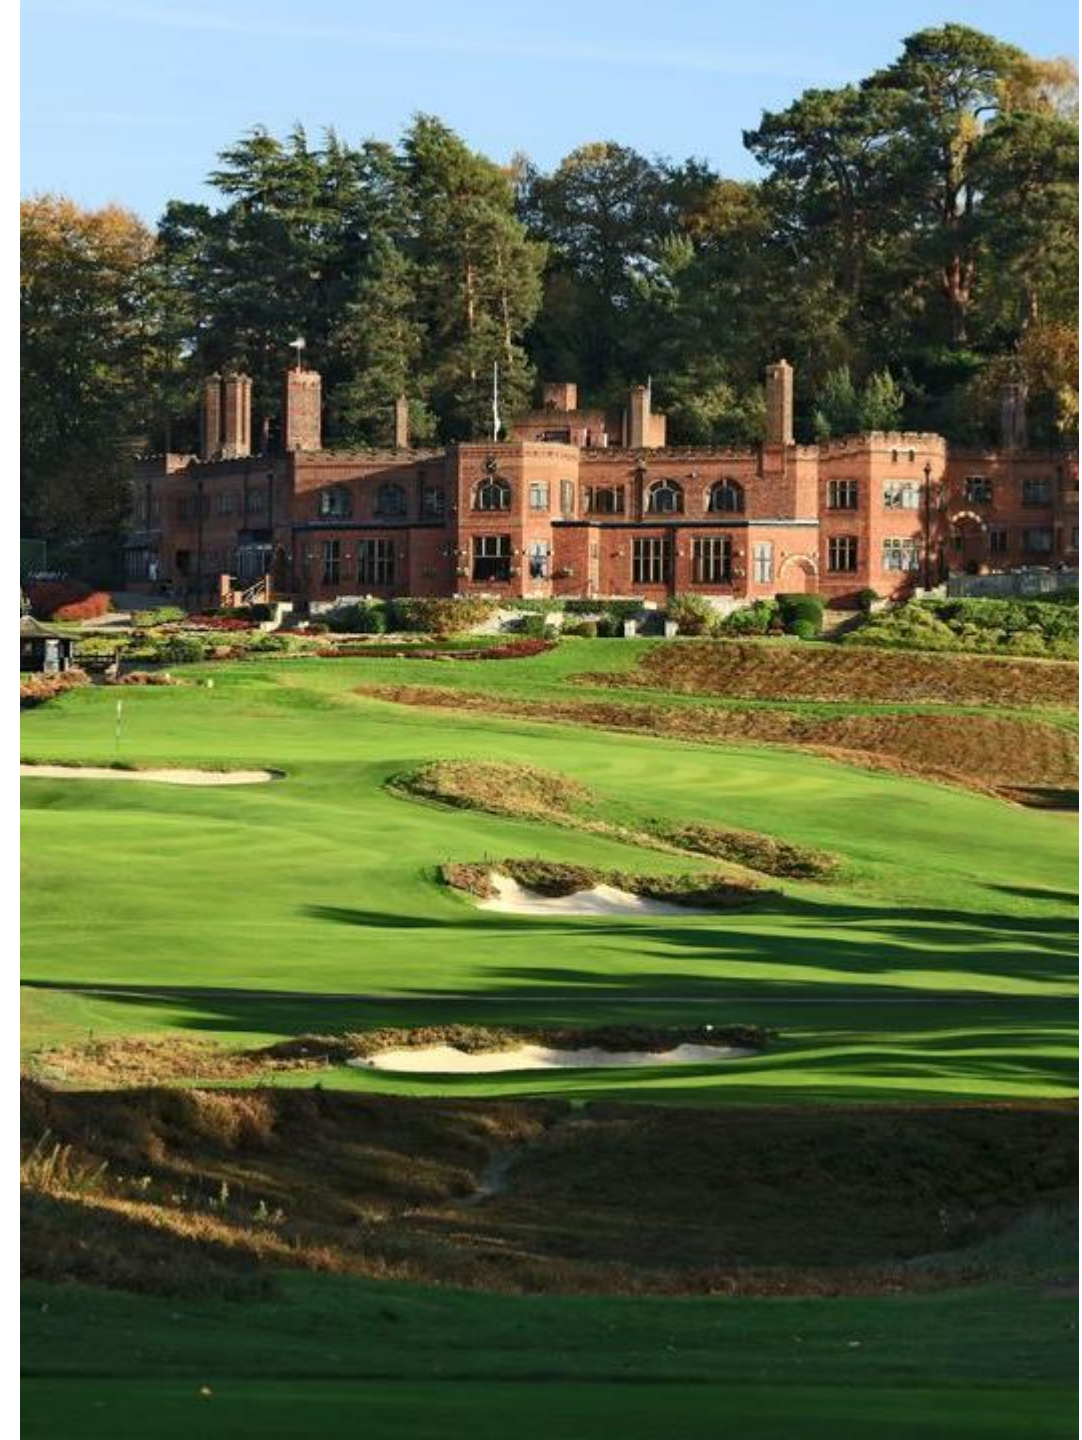

Whether you are hosting your most important clients, or saying thank you to your business partners, St George's Hill is the place to offer you, and your guests, the ultimate first class golfing experience.
